

## Class Work Monday May 25th – Friday May 29th 2020

Hi all,

Hope you all had a nice break over the weekend. We have a full week of work this week but hopefully from next week on we will be doing more hands on activities and perhaps a bit less book work.

Below I've outlined your work for this week. As always try and complete the core subject's Irish, English & Maths everyday but don't worry if you miss out on something any day.

You can email me a selection of the work completed throughout the week. Remember to keep reading for at least 15 minutes each day. I hope to have another Zoom meeting this Friday. I will send the details to your parents via Aladdin later in the week.

Mr. Mc Donald

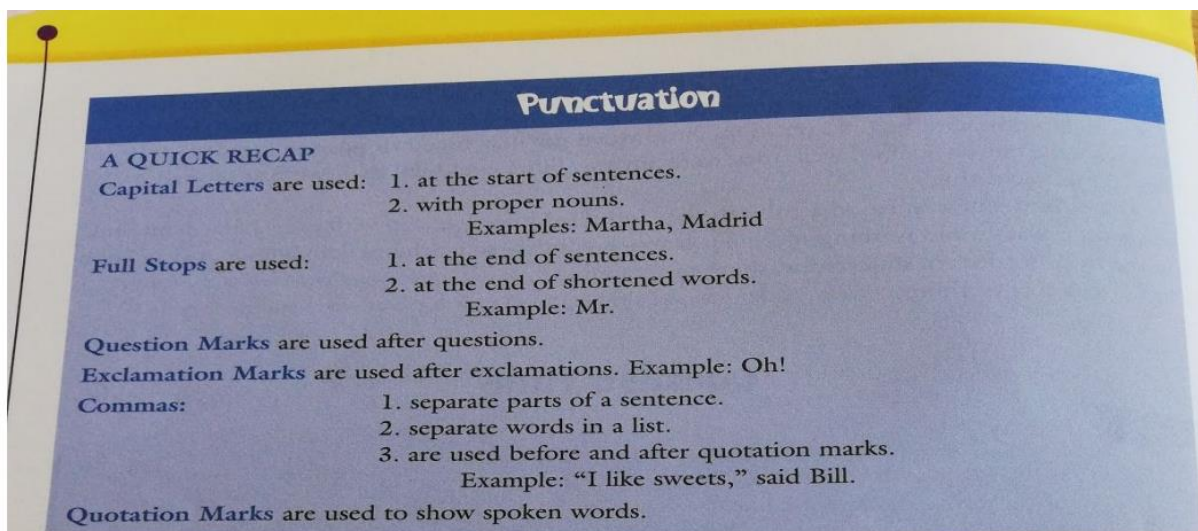

### Monday

#### English

- Word Study. Some more commonly misspelled words for you to practice for this week. See how you get on with them.

desperately	millionaire	thorough

# Tuesday

## English

- Word study activities.
- Complete the punctuation activity below.

**B. Write out this passage. Separate it into paragraphs and punctuate it correctly.**

Mr Patterson must have had the constitution of a horse he downed all his wife's culinary delights with relish. Alex was more discerning but he was too polite and considerate of his mother's feelings not to clear his plate even if it did make his stomach churn and his face turn a pale green. Terry hated the egg meals that her mother made and peach burgers made her sick. The sight of scrambled egg and rhubarb sent her running to the bathroom but Terry was a kind girl and faced with Mrs Patterson's hopeful enquiry of 'do you like that?' Terry what could she say? 'It's wonderful, mam,' she whispered in a sickly way.

## Maths

- Today you are revising some work we did way back in October on graphs and charts. Read the info below and create a bar chart and answer the questions. Remember your X and Y axis. Remember that each bar must be the same width. Remember to work out your scale on the Y axis. Send me a picture of your chart when it is complete.

**B** Turn this results table into a multiple bar chart and answer the questions. Everyone in the class answered the survey.

Favourite types of yoghurt			
	5th	6th	Total
Strawberry	4	6	
Fruit of the forest	2	8	
Cherry	8	12	
Blueberry	14	4	
Banana	6	6	
Chocolate	8	6	
Apple	10	14	
Raspberry	12	8	
<b>Total</b>			

1. How many children are in 5th Class?
2. How many children are in 6th Class?
3. How many children were surveyed in total?
4. Which type of yoghurt is most popular with 5th?
5. Which type is most popular with 6th?
6. What was the average number of votes per flavour?
7. On average, what was the most popular flavour across both classes?

## Irish

- Reread yesterday's notice about the fair and answer these questions as best you can.

## B. Freagair na ceisteanna.

1. Cén dáta a thosóidh féile an tsamhraidh?
2. Ainmnigh trí bhanna a bheidh ag seinm ag an bhféile.
3. Ainmnigh trí rud a bheidh ann do theaghlaigh.

# Wednesday

## English

- Word study activities.
- Read for 15mins
- Recount writing: ‘My Favourite School Tour.’
- Think back on all the tours that you have had during your years in Ballindaggin NS. Pick your favourite one and write a recount about it. Follow the guidelines below to ensure your recount is written correctly.
  1. This is something that has happened in the past so use past tense verbs.
  2. Remember to break it up into paragraphs.
  3. Make sure to proof read it for errors when finished.
  4. Your recount must have;
    - Title:
    - Orientation: Who, what where, when
    - Sequence of Events: New time connective at start of each paragraph, First, Then, Next, Finally etc. Include at least 4 events in your recount.
    - Conclusion: Personal reflection. I really enjoyed the tour because..... etc

## Maths

- Today’s work is revision of fractions, decimals and percentages. Do not worry if you can’t complete all of the work. Give it your best shot. I will send out the answers during the week so you can correct your own work.

- 
- C** 1. **0.5** of the money in Cathy’s wallet is **€12**. How much money does she have altogether?
2. Jenna scored **45%** in her spelling test. If there were **100** spellings in the test, how many spellings did she get wrong?
3.  $\frac{1}{3}$  of the 180 children in Oakridge Primary School are boys. There are twice as many boys in St Patrick’s N.S. If there are 240 children in St Patrick’s what fraction are boys?
4. There was a full pizza on the table. Maura ate  $\frac{1}{5}$  of the pizza. Joe ate  $\frac{1}{3}$  of the pizza. What fraction of the pizza did they eat altogether? What fraction of the pizza was left?

## Friday Fun Challenge!!!!

- I would really like you to have a go at this because I am going to do it too! Just a bit of fun.
- Use the chart below to create a little workout for yourselves. Spell out your name (first name only but if your feeling super fit go for your full name) and complete the exercises. If you think your name is too long use the word COVID instead!! To simplify it do half the numbers suggested or as many as you think you can do. I'd love to see some videos of these so please email them in to me!! I'll share my attempt with you!!!
