

## Ms. Nimmo: 1<sup>st</sup> and 2<sup>nd</sup> Class

I think it's fair to say everybody's favourite month in school is June so let's make sure it can be made just as fun from home.

I will attach one activity each day (Mon - Fri)

### Monday

The resources for this week are available to print/download from the padlet

<https://padlet.com/onimmo1/yq72kxvzo2sw3ykn>

#### Maths

##### **Problem Solving Game:**

The mystery of the missing treasure.

This has lots of activities from various areas of the curriculum and is a very fun way to engage with maths

*(Available to print and download from padlet)*

<https://padlet.com/onimmo1/yq72kxvzo2sw3ykn>

### Tuesday

#### English:

##### **Story:**

- Write a story entitled "My Summer Holidays"
- I will include a range of templates on the padlet. Some children will prefer to write a longer story while others might prefer to just complete a few sentences and draw a picture.
- I will also include a blank template for anyone who would just like to draw a picture of their summer holidays.

*(Available to print and download from padlet)*

# Ms. Nimmo: 1<sup>st</sup> and 2<sup>nd</sup> Class

## Wednesday

### Irish

#### Wordsearch:

- End of year wordsearch

*(Available to print and download from padlet)*

<https://padlet.com/onimmo1/yq72kxvzo2sw3ykn>

## Thursday

### Science Experiment

#### Science Experiment:

- Dancing Raisins

*(Available to print and download from padlet)*

<https://padlet.com/onimmo1/yq72kxvzo2sw3ykn>

## Friday

### English/Art/SESE

#### End of year

- End of year writing activity/craft
- This is a lovely keep-sake that the children will have of their memories from this year in school.

*(Available to print and download from padlet)*
