

**Monday June 8<sup>th</sup> - Friday June 12<sup>th</sup>**

**Theme: Notice Nature / Cruinniú na nÓg Week**

Take a look at the suggestions we have come up with for a daily activity this week. Post your photos to Twitter or email them to your teacher as we really enjoy seeing what you are getting up to.

We would also really love you to take 'notice of nature' this week. Bees and butterflies are on the wing and young birds and animals are out and about in the sunshine. Bats have also awoken from their hibernation and tadpoles are well on their way to becoming frogs. We are challenging you to capture a photo of nature using a phone or camera e.g. a bee or butterfly feeding on a flower, insects in your garden, birds on a feeder there are some small nature themed prizes to give away if you are lucky enough.

## Notice Nature / Cruinniú na nÓg Week

8th <a href="#">BioBlitz</a>	9th <a href="#">Rainbow Challenge</a>	10th <a href="#">Youthful Mindfulness</a>	11th <a href="#">Why is the Sky Blue?</a>	12th <a href="#">Céilí in Your Kitchen</a>
