

Ms. Nimmo: 1st and 2nd Class

I think it's fair to say everybody's favourite month in school is June so let's make sure it can be made just as fun from home.

I will attach one activity from each core subject for Tuesday, Wednesday and Thursday.

On Friday, we will have a bake-off! I'm going to take part in this too so stay tuned and get ready 😊

I have also attached some fun things to the padlet which you might be interested in. These include:

Mathopoly (Monopoly with a twist)

- Print out the board game and challenge cards and play at home with the family. A very good recap on time and revision of addition and subtraction.

Craic the code game

- Using your knowledge of tens and units, craic the code and solve the answers.
- There are a few different levels so the boys and girls can pick which ones they would like to complete.

An haca Gaelach

- Learn An Haca Gaelach (you could do this yourself or as a family)
- There are great videos on YouTube which you could watch before practicing.

Addition Games:

- Dinosaur Sum game (addition to 20)
- Maple Leaf Sum game (addition to 10)

Readers Theatre

- Everyone in the family can choose a role. There are 6 characters. If you don't have enough people, one person can be 2 characters. Another thing you can do, is just leave out some characters. It will still work well.

Ms. Nimmo: 1st and 2nd Class

Tuesday

The resources for this week are available to print/download from the padlet

<https://padlet.com/onimmo1/yq72kxvzo2sw3ykn>

Maths

Problem Solving Game:

The mystery of the missing football.

This has lots of activities from various areas of the curriculum and is a very fun way to engage with maths

(Available to print and download from padlet)

<https://padlet.com/onimmo1/yq72kxvzo2sw3ykn>

Wednesday

English

Summer Poem:

- Write a summer poem
- There are a range of differentiated templates with (and without) sentence starters which you can use to help you with this. Pick the one that suits your level of need best.

(Available to print and download from padlet)

<https://padlet.com/onimmo1/yq72kxvzo2sw3ykn>

Thursday

Gaeilge:

Summer clothes dress up:

- Print out the clothes and dress up your characters by following the Irish instructions

(Available to print and download from padlet)
